Secretary's Report

The Fourth meeting of the Society's 15th season was held on Tuesday, December 6th in the Society's regular location. In reference to the Society's new membership drive I am pleased to report that there has been a steady increase in total attendance.

The December meeting was devoted to a general discussion of plans for the rest of the year. The major topics for discussion were as follows:

1. The starting of a Novice course on January 4th with Lud Fasolino and Pam Rathmel teachers.
2. The beginning of a General Course on January 5th under the leadership of Jack Rathmel and Hank Robinson
3. Painting party on December 28th.
4. Assembling of a rig and antenna for a Club station
5. The establishment of a Field Day Committee. The Committee includes Bill Emerson, MarshallCannell, Jack Rathmel, Bob Dale , and Dick Norley

Hank Robinson discussed his visit to the Providence QSL Bureau. Other topics discussed were a Club Net on 21.350, and a social evening with XYL's instead of the Club Auction. Members were asked to bring their QSL cards to the next meeting. The secretary was asked to furnish club members with a list of those who have attended since September. The secretary will have this list ready for the February meeting.

As usual refreshments were served.

Respectfully submitted,

Walt. Lenk
Secretary.
